## COURSE IMPROVEMENTS

### TEE-BOX IMPROVEMENTS

As part of our ongoing commitment to maintaining top-quality playing conditions, we're expanding the length and width of all our par 3's and several par 4's to help ensure our teebox areas remain in excellent shape throughout the season.

### SHORT GAME IMPROVEMENTS

Work is underway for a new larger chipping green and sand bunker in our short game practice area. These upgrades are part of our effort to create the best practice facility in town, giving our customers more space and better conditions to fine tune every part of their game.

Estimated time for completion and opening is mid June.

# FACILITY CLOSED

Beginning this month, Jersey Meadow Golf Club will be closed on the 2nd and 4th Tuesday of each month. This includes the golf course, driving range, pro shop, and practice facilities.

These closures are dedicated to golf course maintenance, building maintenance, and golf operation workdays. This will ensure we continue to provide the best possible experience every time you visit.

Little Meadow, our on-site restaurant, will remain open and ready to welcome you on those days. From 7am - 2:30pm for a breakfast and lunch menu.
